A GOOD ATTENDANCE.

The fair yesterday at the G. A. R. building was attended by a large crowd. The patronage was even more than the most sanguine supporters suspected. Of course this phenomenon is not referred to as an objectionable feature. The success of this enterprise is no longer questioned and the receipts it is thought will assist materially in aiding to erect a building for the church.

The efforts of the little girls last evening to care for the loose dimes was particularly successful. They added many members to the list and of course no one will get left at the final moment.

The voting on the more desirable articles placed upon a blackboard and the "montage" of Wichita, Mr. Fritz Schneider, spends the time in telling the crowd that if they will give him 45 cents he will give them two votes and a nickel. His offers are generally conceded to be good, looking at them from a business standpoint, and hence the vote upon the blackboard keeps increasing.

The following is the vote on the board as it stood last night when the lights went out:

Gold-headed cane—Wm. Grifflinger, 10;

H. D. Heiserman, 15;

Silver-headed cane—G. W. C. Jones, 10;

J. F. Connelly, 20;

Silk hat—F. Hoffmeister, 0; Wm. Meyer, 6;

H. W. Noltemeyer, 49; O. M. Stoecker, 5;

Young ladies' gold watch: Albertina Bellman, 48; Amelia Blumstein, 65; Artelia Zisch, 0; Bernetta Ross, 0;

Young ladies' clock: Dollie Schmitz, 55;

Charlotte Schneider, 10;

Gold necklace: Johanna Linschulte, 37;

Anna Wrigland, 17;

Gold bracelets: Amelia Yosh, 14; Amelia Grub, 15;

Some small articles were raffled off last night and some more valuable ones will go the trip tonight.

One of the pleasing features for this evening will be a piano duo by Misses Amelia and Lena Blumstein.

A WHOLESALE GROCERY.

There is a gentleman in the city from St. Louis who is looking over the advantages this city affords for a new wholesale grocery. He represents a large firm in his city that is engaged in the same business and who wish to establish a branch here at this point.

He says that the company has become thoroughly convinced that Wichita is the distributing point for all the great southwest and hence have decided that here is the place to enter into the wholesale business in order to gain a trade in this section.

The agent now in the city is very much pleased with the city especially viewing it from a business standpoint. He says that he has been negotiating with the railroad facilities before he came here, but it was simply impossible for him to conceive of a city growing as fast as Wichita today. He confessed having viewed the reports of friends who had been here with too much latitude, but says he was not to be concerned for that, as everyone else are victims of the same idea. He is looking over the city for a suitable site, but has not yet arrived at any conclusion. If resting is considered unsatisfactory the company will erect a building and warehouse under their own name and flag.

DISTRICT COURT.

William Aldrich, defendant in the Penitentiary for One Year.

In C. R. Miller vs. D. T. Dunbar, the de-

clarator to plaintiff's evidence was sustained and judgment given in favor of the defendant.

J. G. Booth vs. M. B. Bowers, a regular suit, was afterwards tried. The case was

given to the jury at 5 o'clock, and they had under consideration at adjournment of court.

William Aldrich, the young man who

picked the pockets of a St. Louis party at one of the gambling

places of the city, was arraigned and plead

guilty to the charge. The court in consideration

of the youth of the prisoner, seventeen

months, sentenced him to but one year's imprisonment in the state penitentiary.

A reporter was speaking to Aldrich after

the sentence had been pronounced, and he,

with Thomas, was awaiting transfer to the

county jail. He said that he committed the

crime and that the punishment was, perhaps,

what he deserved. He appeared to express

regret or regret, and seemed glad enough

to get off as easily as he did. Thomas, he

said, was innocent of any connection at all

with the offense and that he will so testify in

the trial, for which he will be detained for

some time at the county jail.

A SALE.

Near two years ago Mr. Wm. Kirk, of

Zanesville, Ohio, visited this city and pur-

chased twenty-five acres of land a short dis-

tance north of Carey park and paid for the

same \$2,000. A few months after he visited

the city accompanied by an Ohio friend who

was as anxious as anyone to take unto him-

self the betting nickel, and being an intimate

friend of Mr. Kirk, was offered a half

interest in the investment at cost. The gen-

tleman could see clearly that if it could be

sold for a few thousand dollars more in a

short time it was a good thing of course, but

being sold with a discretion it shook his

head and dreamed that somebody wanted to

undo a deal he had thought \$2,000 was an

awful price. Yesterday Mr. Kirk sold the

same twenty-five acres, through Mr. Whitte

his agent, for \$30,000. This is considered a

very good profit on the investment.

FOR BLOOD.

The running race between M. K. Kittle-

man and C. E. Gibson, at the West Wichita

fair grounds, on the 5th of next month, is

beginning to attract considerable attention.

Those who are connected with the affair say

that it will be a race for blood, and no fool-

ishness. They pronounce the affair in the

Globe-Democrat which appeared some

days ago in which it was stated that the race

would be hippodromed, as false, and some in-

formation concerning the ownership of the

same, leads them to pronounce it maliciously

false. The time for three days of the money

on each side to be put up has expired, and as

a result H. L. Walker holds \$1,500. There is

no indication as yet that anything crooked is

lurking around the affair. The gentlemen

who are connected with it say they would

not take part if they had cause to suspicion

NO GO.

Arrangements were made some days ago for giving Carl McClintock, the wife murderer, a preliminary hearing yesterday before Judge Walker. The duties of the prosecuting attorney were such that it was impossible for him to be present and the matter was deferred until some future time.

PEAK SISTERS.

Owing to their highly successful engagement Tuesday evening, will repeat their highly amusing, instructive and intellectual performance once more before returning to their frozen home. The performance will be given Friday evening, at the Opera house. Seats on sale Wednesday morning, at the Santa Fe ticket office. Price, 50 cents.

A NEW LODGE.

A new lodge of I. O. O. F. will be instituted at the hall in Temple building next Saturday. The exercises of initiation will take place in the forenoon at 9 o'clock, and the degree work in the evening at the usual hour. The number of the lodge will be 226. The members will hold their meeting at the hall recently fitted out on Oak street near the Union depot.

WICHITA THEIR HOME.

Mr. L. R. Cole and family of Pontiac, Michigan, arrived in the city last evening. They will make this their future home. Mr. Cole came to this city last spring and was well pleased with the business showing, and in the course of a few weeks was making arrangements to move here permanently. He has disposed of his property at his old home and is now a full-fledged Wichitan.

CLOTHES STOLEN.

Miss Alice Jeffries, a Welsh woman living in the southwest part of the city, visited the officials yesterday with the complaint that a thief had stolen quite a number of articles on the previous night from her clothes line, and produced some circumstantial evidence which, it is hoped, will lead to the discovery of the guilty parties.

BUILDING PERMITS.

A building permit was issued by Fire Marshal A. G. Walden yesterday to George Hayford, who will erect a residence and business building in the northeast part of the city.

Mr. R. C. Noble received a permit to build an addition to the Noble block, which will cost over \$20,000.

Mr. John Egan has commenced his new building immediately north of the Royal

apartment house.

THE GRANITE ROOFING COMPANY.

The company referred to in yesterday morning's Eagle as going to manufacture asphalt roofing is styled the Wichita Granite Roofing company, and has a capital stock of \$30,000. The following gentlemen are directors of the company: W. C. Woodman, C. R. Miller, J. O. Davidson, J. M. Humphrey, E. P. Hovey, J. S. Rice, Wichita; W. T. Wray, D. W. Neidler, Kansas City; C. W. Kellogg, Wichita.

A FOUR HOUR SIBER.

Mr. J. P. Allen takes pleasure in informing his friends about his rare music treat a few days ago. It was noticed that the last section of the hand organ army that visited the city was particularly marked on making an exhibition in front of Mr. Allen's drug store. The industrious grinder squandered four hours in that position and many were heard to say that they did not exactly understand what made the crank music so partial to that section. It now seems that Mr. John Fisher had something to do with it.

POLICE COURT.

Another steady looking crowd came before his honor yesterday.

George Hall, Michael Clay, John Gallag-

her, Edward Kerns and John Moran were

all charged with being drunk. They were

fined \$5 each, but not one had a cent. Ex-

ecution was suspended in the cases of Hall, Clay and Gallagher. The others were com-

mitted.

Mattie Jones, the only female's name on

the docket, was also the only individual who

had money enough to pay the fine assessed.

Jay turned in \$10 for her.

THE PROPER GAIT.

N. B. Sison writing us from Pine Grove,

Ohio, about his Eagle, closes his letter with

the following encouraging words:

"Eighteen months residence in your pro-

per place has attached us to the Queen

city, and we want to hear regularly from

you. Energy, push, soil, climate, laws, and

constitution, devotion to education, temper-

ance, morals, and to civil and religious lib-

erty, all conspire to make you an empire state,

and your location as a city, with your rail-

road and commercial facilities will sweep you

on in the scale of material prosperity and

political significance until you shall stand

without a rival as a center."
